- ◆ The current date will always be displayed in the **Date Filed** field.
- ◆ Select the **Chapter** from the pick list box.
- ◆ The default value for **Joint Petition** is **n** (no); for a Joint filing select **y** (yes).
- ◆ If there are any required items missing from the Voluntary Petition, change the **Deficiencies** box from **n** to **y**.

NOTE: In **Chapter 13** cases, if the Plan and/or Certificate of Service is missing, but the Voluntary Petition is complete **do not** change the Deficiencies box from n to y.

- Plan & Certificate missing: deadline will be created for both automatically.
- Certificate of Service missing: a deadline will be created automatically for both the Plan and Certificate, **however**, once the user docket the Plan event the deadline will automatically be terminated, leaving only the deadline for the Certificate of Service due.

- If neither Plan nor Certificate of Service is missing: once the user docket the Plan and Certificate of Service events the deadlines will automatically be terminated.
- ◆ When this screen is correct, click **[Next]** to continue.

STEP 4 The **PARTY SEARCH** screen displays. (See Figure 4a.)

- ◆ This screen is for you to enter the parties on the case. Before you add the debtor, or any party, you should search the database to see if that party already exists in the database from another case, to eliminate duplicate records in the system. You can search by Social Security Number, Tax Identification Number, Last Name or Business Name.
 - You can enter the last name to search the database. If this is a business filing, enter the first word or significant words of the business name to search. The entire business name is stored in the **Last/Business name** field. The field size is 80 characters.
- ◆ In this lesson, we will enter the debtor's last name and click **[Search]**.

NOTE: The entire name of businesses resides in the **Last/Business** field. Therefore, for business filings, entering the first part of the name may be sufficient to find a match.

- ◆ If there are no matches, the system will return a **No Person Found** message.

The below table is a list of common documents which either may be filed at the time the petition and/or schedules are filed or are required to be filed (some are new documents now required as a result of the implementation of the BAPCPA on October 17, 2005).

Document	How to File	Other Notes
Application to Pay in Installments	File as a part of the PDF for the voluntary petition and/or schedules, after page 3 of the petition. Do not docket separately. Creditors Matrix	Should be filed in PDF format as part of the petition/schedules (preferably at the end of the document) and must be uploaded in text format using Creditor Maintenance OR a petition preparation software package with case upload capability).	Must be filed or uploaded at the time the case is filed. If not uploaded at this time, the Court will contact the attorney to upload the creditors. If matrix is not supplied and uploaded within three days of the date the case is filed, case may be dismissed.
Remaining Schedules, Statement of Financial Affairs and Attorney's Disclosure of Compensation Page	May be filed at the time the petition is filed (as part of the same PDF document) or if petition is filed as a "skeletal filing," may be filed within fifteen days of the date the case was filed.
